SERVICE SPECIFICATION

Schools can also choose to add to the offer above and commission the clerking service for a set number of additional committee/governor meetings for the academic year. This option provides schools with a 10% discount on the total cost of additional meetings commissioned for the academic year.

This SLA is calculated on the assumption that meetings will be up to 2 hours long. Additional time will be charged on a half hourly basis at £20.50 per half hour. Schools can choose to hold TWO consecutive committee meetings in one 2-hour slot and this will be charged as ONE 2 hour meeting.

A school may have exceptional circumstances e.g., an Ofsted inspection or sickness resulting in inquorate meetings where they need to postpone a meeting at short notice. However, any meetings postponed within 48 hours, other than those with exceptional circumstances, will be charged at 50% of the meeting cost.
